

ST. ANTHONY OF PADUA
CATHOLIC COMMUNITY
ALL ARE WELCOME

THANK YOU!!

“unAUCTION” Donations Give a Big Boost to Educational Priorities

In such a challenging moment in time, the school and parish community remains strong with many inspirational donations toward **unAUCTION**. Our six-week online campaign (which took the place of Auction for Education this year) raised more than \$45,000 in cash and in-kind donations. These funds will help support some of our more immediate needs and priorities in our school and religious education program, continuing the tradition of providing essential tools for the academic and spiritual growth of our children. Funds were also given to support the Education Foundation.

The following needs have been fully supported through the **unAUCTION** campaign and will be realized in 2021:

- New Math Curriculum
- 20 Achievement/Bulletin Boards
- Christ In Us Virtual Education
- Classroom Blinds
- Service/Volunteer App
- Interior Paint Upgrades

The following needs have been partially funded and require additional support:

- School and Parish Communications System
- Sensory Room and Quiet Testing Room

Thank you to our **unAUCTION** donors listed below who have generously given to the mission of Christ and the commitment to preserving Catholic education for the students of today and for generations to come.
