Dear Zontians,

Congratulations on being one of the top 30 clubs in your tier for Zonta International's 2021 Add Your Voice Membership Campaign.

Zontians are needed now more than ever, as the world works to recover from the COVID-19 pandemic and the added challenges women and girls are facing as a result. Thanks to the work your club has done to recruit fantastic new people to join us in furthering Zonta's mission and vision, our voice will be even stronger.

In the last 101 years, Zonta International has provided more than US\$46.3 million to empower women and girls and expand their access to education, health care, economic opportunities and safe living conditions. We have come together across countries and continents to advocate for gender equity and an end to violence against women and girls. We thrive thanks to the efforts of clubs like yours, working diligently to welcome and retain members in our amazing community of gender equality advocates.

I am thrilled that you took on the challenge to add members to your club during what I know has been an extraordinarily challenging time. Despite these challenges, you succeeded in reaching out to others and expanding our Zonta network. You should be proud of this achievement, and I join you in celebrating your success.

Thank you for your dedication to Zonta International and once again, congratulations on your success with the Add Your Voice Membership Campaign. I hope you will continue to grow your club, and I look forward to seeing all you accomplish in the coming years.

Warm regards,

Sharon Langenbeck
