TOASTMASTERS GAVEL CLUBS

Where voices find freedom

Toastmasters Behind Bars: Building Bridges, Breaking Chains

WHAT is a Gavel Club?

Gavel clubs provide the Toastmasters experience to groups who may be ineligible for regular membership due to age, or other circumstances (such as prison)

Gavel Clubs are sprouting within the prison walls, fostering an environment where individuals can rediscover their voice and build their self-confidence to build a better life from the experience, using the Toastmasters Program.

WHY Volunteer?

- **Impact Lives:** Witness the transformative power of effective communication and leadership in the rehabilitation process.
- **Empower Others:** Guide and inspire participants as they develop essential life skills, gain confidence, and rebuild their futures.
- **Build Community:** Contribute to creating a positive, supportive environment within the prison system, promoting personal growth and camaraderie.
- **Experience Growth:** Sharpen your own skills while making a lasting impact on others.

BE A CATALYST OF CHANGE

by joining our groundbreaking initiative at California Institution for Men (CIM) Prison, Chino, and California Department of Rehabilitation Center (CDCR) Norco.

If you are passionate about empowerment, rehabilitation and transforming lives, we want you! Randy Amelino, Special Environment Clubs Chair, himself a prison Volunteer Toastmaster, is seeking dedicated individuals to be helpful mentors, coaches and advocates in this transformative journey.
