

October Mixer at Eureka Coast Central Credit Union

By Carolina Gonzalez and Charlie Dockery, Eureka Chamber Ambassadors, and Coordinators at Dark Staffing Solutions

Our October Eureka Chamber Mixer, hosted by Coast Central Credit Union, was held on October 20th, 2022.

This Mixer was at the Coast Central lot on F Street in Eureka. The evening was especially noteworthy as it was celebrated on International Credit Union Day in addition to this being their 72nd year as a Credit Union.

Eureka Chamber President/CEO Nancy Olson introduced Coast Central Credit Union's President/CEO Jim Sessa along with several Credit Union colleagues. Eureka Chamber Ambassador Chair and Coast Central's very own Christopher Nelson administered the distribution of an array of raffle prizes. Attendees got to hear from the location's manager, Jera Newland, who expressed gratitude to all in attendance and her team for making the night possible. We also had the pleasure of meeting the artist behind the new Coast Central Credit Union 2023 Calendar, "Along the way scenes from our lives by Alan Sanborn."

The outdoor venue was transformed into a spectacular event containing two tents lined with twinkle lights. Individually wrapped charcuterie boards from the Boardroom, an assortment of wines from Old Town Growth Cellars, and drinks from Humboldt Craft Spirits were on display for all to enjoy. The Cancer Crushers also made an appearance and shared important stories from community members to spread awareness and advocacy.

Current Eureka Chamber Members and those interested in joining the chamber are welcome to attend the next mixer on November 17th, hosted by Recology. For more information on the Eureka Chamber or the Chamber's upcoming events, visit the Chamber website at eurekachamber.com or their Facebook page.
