

Electrify Your Home Without Upsizing Your Electric Panel

FREE Webinar

Interested in home electrification but worried about the costs and timelines of electric panel upgrades? Join Redwood Coast Energy Authority for a free webinar to learn how you can electrify your home without the need for costly panel upsizing.

Learn from Experts

Experts Abhijeet Pande from TRC, Sean Armstrong from Redwood Energy, and mechanical engineer Tom Kabat will walk you through the basics of electrification, the challenges of panel upgrades, and strategies for electrifying your home with optimized panel use and efficient equipment choices.
