FOR IMMEDIATE RELEASE

**Hyperion Humboldt Realty Welcomes Calista LaBolle as Realtor Associate**

[Eureka, CA] – Hyperion Humboldt Realty is thrilled to announce the addition of Calista LaBolle to our growing team of real estate professionals. Calista brings a fresh perspective and a deep commitment to the Humboldt community, aligning perfectly with our mission to provide unparalleled local expertise. As a Humboldt County local, her background in business management and nonprofit work, and her passion for our community, makes her a perfect fit for our team.

*"My interest in real estate began as a child watching my parents purchase investment properties. I quickly inherited their curiosity for open houses and admiration of local architecture. I helped manage our family's properties while dreaming of owning my own home –a dream I realized at age 25 when I purchased a home in Eureka using a FHA loan. Having navigated a complicated short-sale and refinancing process myself, I look forward to using my personal experience to help my friends and neighbors confidently put down roots here in Humboldt County!"* - Calista LaBolle

Calista is deeply integrated into the local community serving as President of the Redwood Youth Business Alliance, a Greater Eureka Chamber of Commerce ambassador, and a member of BNI Humboldt Bay Business Builders. A passionate advocate for local culture, she owns the Humboldt Artisans Crafts & Music Festival, sings with North Coast Choral Artists and Mosaic, plays piano for the Arcata Presbyterian Church, and attends community events extensively. Her professional background also includes consulting with Rock Rise Consulting, Multimedia Sales Consultant for Times Standard, and GM of Hanah Silk, Inc.

She holds a business degree with a minor in Music from CalPoly Humboldt, along with a Leadership Redwood Coast certificate. Outside the office, Calista enjoys creating art and music, spending time with family, friends, and pets, and exploring Humboldt's natural beauty. She is excited to connect buyers and sellers, ensuring a smooth and rewarding real estate experience.

*"Welcoming Calista to our team is a momentous occasion for our office, she has a proven commitment of service to the community and adds even more integrity to our growing brokerage!"* -Annalise von Borstel, Broker/Owner of Hyperion Humboldt Realty, Inc.

Hyperion Humboldt Realty partners with clients to help them achieve their real estate and financial goals. Our foundation is built on fostering economic growth within the Humboldt community, reflecting the Redwoods' vital role in nurturing their ecosystem. Our roots are deep in commitment, and ever-reaching towards your success!
