COME TO THE PARK SIDE FOR FOREST FEST AT SEQUOIA PARK ZOO

EUREKA, Calif. (May 5, 2026) – Sequoia Park Zoo and Humboldt-Del Norte Film Commission are proud to present another out-of-this-world **Forest Fest** on Saturday, May 30, 2026 from 6 to 9 p.m. as part of the Forest Moon Festival.

Guests 21 and over are invited to come to the "park side" to enjoy craft brews and local bites, meet special guests, listen to live music, explore the Redwood Sky Walk at twilight, and see some of the "alien" animals that call Earth home.

"For the Zoo, Forest Fest is a celebration of our iconic trees and their place on the 'Forest Moon'," says Jim Campbell-Spickler, Sequoia Park Zoo Director. "It's been amazing to watch people really embrace this annual tradition. Every year the costumes get better!"

Tickets are $25 and space is limited! This event is strictly 21 and over; valid Earth identification (State ID, Driver License, Passport, or Military ID) required at entry. Tickets are available at: https://tinyurl.com/2026ForestFest.

Activities, entertainment and souvenir cup are included with admission. Food and beverages will be available for purchase, featuring favorite local brews by Humboldt Cider Company, Lost Coast Brewery, Redwood Curtain Brewing Company, Eel River Brewing Company and more!

Costumes are highly encouraged, and movie references are welcome. Please leave any weapons at your home base. For the safety of our animals, no lasers, balloons, straws, balls or projectiles of any kind are allowed. May the forest be with you.

Forest Fest is hosted by Sequoia Park Zoo in partnership with the Humboldt-Del Norte Film Commission. Visit redwoodzoo.org for more information and check forestmoonfestival.org for the full Forest Moon Festival schedule.

ABOUT SEQUOIA PARK ZOO
Founded in 1907, the City of Eureka's Sequoia Park Zoo is the oldest zoo in California and is proudly accredited by the Association of Zoos & Aquariums (AZA). Sequoia Park Zoo is home to over 150 animals representing more than 50 diverse species and includes the award-winning Redwood Sky Walk and the tallest urban forest on the planet. Visit redwoodzoo.org and redwoodskywalk.com for more information.

Sequoia Park Zoo inspires conservation of the natural world by instilling wonder, respect, and passion for wildlife and wild places.
