In August, Petrusha Law hosted a wonderful virtual mixer! Angela Petrusha engaged the audience with “guess who” trivia questions around celebrity estates and introduced her all female team which consists of Attorney Kristen Adams, Paralegals Stephanie Allen and Coralia Vieira, Legal Secretaries Amy Hagan and Grace Wheaton, and of course attorney Angela Petrusha herself. Petrusha Law is a boutique law firm that specializes in estate planning and are celebrating their sixth year in business. They raffled off some great prizes including picnic lunch boxes from Cassaro’s Catering, HSU swag, gift baskets from CCCU, Celebration Boulevard, and Aflac, and an estate planning consultation from Petrusha Law themselves.

The guest speaker, Dr. Chris Hartley along with his colleague Dr. Colby Smart, covered some big topics around the impact of COVID-19 in our schools, the key factors for re-opening, and the importance of collaboration with public health and other groups in our community such as First 5 Humboldt, Humboldt Area Foundation, HSU, Food for People, and Rotary clubs. Dr. Hartley has served as the Humboldt County Superintendent of Schools since 2017 and has been an educator in the area since 1993. Dr. Smart has been with the Humboldt County Office of Education since 2012 and is currently the Assistant Superintendent of Educational Services.
