

OUR AIR MEMBERSHIP RATES WILL INCREASE JANUARY 2023

A Global Medical Response Solution

AirMedCare Network (AMCN) is the largest air ambulance membership network in the United States. An AMCN membership automatically enrolls you in all provider membership programs, giving you membership coverage in more than 320 locations across 38 states. All AMCN service providers work cooperatively to provide the highest levels of care for you, your family and your community.

An AMCN membership offers significant money-saving benefits. In the event you are flown by one of our providers for a life or limb-threatening emergency, we will work with your benefits provider to secure payment for your flight. As a member, you will have **no out-of-pocket flight expenses** if you are flown by any AMCN participating provider.

AirMedCare Network offers discounted memberships to local businesses, organizations and schools, and we would like to partner with you as well. Upon signing an agreement with us, your employees or members would be eligible to receive a membership at a discounted rate with payroll deduction options available. **This is an opportunity to offer an additional benefit to your members or employees at no additional cost to you.**
