Spooky Dunes Tour at the Humboldt Coastal Nature Center Oct. 24

Join Friends of the Dunes for a fun-filled, sugar-free (no candy), Halloween dune adventure during our Spooky Dunes Tour on Saturday, October 24, from 11:00 a.m. to 1:00 p.m. The quest will begin at the Humboldt Coastal Nature Center, located at 220 Stamps Lane, Manila. Costumes are highly encouraged, making the adventure even more festive! Feel free to drop in anytime between 11:00 a.m. and 1:00 p.m. This event is free, bilingual (Spanish), and friendly, designed for families with young children ages 3-10.

Explore the dunes and encounter a variety of whimsical creatures, from the Beach Grass Troll to the Forgetful Flower Fairy. Follow the map to discover the amazing biodiversity and ecology of the dunes, and complete your quest to uncover a treasure to take home! Please note that the event will be outdoors, so dress appropriately for the weather, bring a water bottle, and be ready for a short hike in soft sand.

While registration is recommended, it is not required. For more information, please contact Friends of the Dunes at (707) 444-1397 or info@friendsofthedunes.org. We can't wait to see you there!

ABOUT FRIENDS OF THE DUNES

Since its establishment in 1982, Friends of the Dunes has actively engaged the community in the conservation of the coastal environments of Humboldt County, California. They envision a dynamic, naturally diverse coastal environment that is restored, sustained, and enjoyed for generations to come through the involvement of community members who embrace learning about and caring for the land. Friends of the Dunes is a 501(c)3 non-profit organization dedicated to conserving the natural diversity of coastal environments in northern California through community-supported education and stewardship programs.
