

# Small Business Resource Guide

## Upgrade equipment and improve operations at your business

### Save on your energy efficiency project costs

#### Direct Install Program

Work with our contracted energy efficiency installation partners and take advantage of custom solutions, cost-savings and post-installation support.

[pge.com/directinstall](http://pge.com/directinstall)

#### Rebates

Find rebates on the energy-efficient equipment—quickly.

[pge.com/businessrebates](http://pge.com/businessrebates)

#### Energy Efficiency Financing

Upgrade to energy-efficient equipment with 0% interest financing. No out of pocket costs. Savings from energy efficiency can pay your monthly loan installments.

### Save time and money on your operations

#### Online Account

Find the information you need to automatically pay bills, manage your account, compare rate options and track your energy use.

[pge.com/mybizaccount](http://pge.com/mybizaccount)

#### Business Energy Savings Tool

Use this online self-assessment tool to analyze energy usage and get customized recommendations that can lower your operating costs.

[pge.com/bec](http://pge.com/bec)

#### Automatic Payments

Never miss a payment. Enroll to pay your bills automatically with your credit card, debit card or your bank account.

[pge.com/paymentoptions](http://pge.com/paymentoptions)

#### Rate Plan Comparison Tool

Evaluate your electric rate plan options and choose the best one for your business.

[pge.com/rateanalysis](http://pge.com/rateanalysis)

#### Economic Development Rate

Get 12%, 18%, or 25% discounts on most of your business' electric costs for five years.
