

Humboldt County Children's Author Festival

Come to the Humboldt County Library in Eureka on Saturday, October 22 from 10-2 to meet the 24 visiting authors of The Humboldt County Children's Author Festival. Members of the public will be able to buy their books at the event and have them autographed! Hope to see you there, 1313 3rd Street, Eureka.

After arriving from all over the country, the authors will be welcomed at a reception in the Morris Graves Museum of Art October 19. A selection of their original illustrations are on display for museum visitors in the children's gallery. On Thursday and Friday, authors will visit 54 schools throughout Humboldt County, sharing their work with students, giving them tips about the craft of creating books, and inspiring them to write and illustrate their own.

The authors will also explore Sequoia Park Zoo & Redwood Sky Walk and attend a banquet in their honor at the Carson Mansion. Some authors will be experiencing the wonders of Humboldt County for the first time, while others, having formed a close bond with our community, happily return festival after festival.

Visit www.authorfest.org to learn more about this beloved festival's decades of tradition and the authors who will be sharing their adventures-in-writing with us. This fun, lively event is possible due to the hard work of a group of dedicated volunteers and to the generous support from community sponsors. If you have questions about the festival, would like to volunteer or become a sponsor, please email us at authorfesthum@gmail.com.
