AirMedCare Network is America's largest air ambulance membership network. AMCN provides coverage across 320 locations in 38 states with over 3 million network members.

Expenses for emergency air medical transport can put stress on your finances. With an AMCN membership, you will have no out-of-pocket expenses only if flown by any AMCN provider. Membership fees cover not just yourself, but anyone who resides within the household.

Flexible solutions will fit your specific need and create a valuable benefit for your teams.

- With an Employer Paid-Group Full Plan, you can purchase the membership for your employees at a discounted rate. As your gift to them, this allows your employee to recover from a life or limb threatening emergency without the financial worry of the cost of their flight when flown by one of our providers.
- With an Employer Paid Census Plan, you maintain ownership of the membership benefit. You can control cost, and you'll cut down on the paperwork required to get your employees covered-saving you precious time!
- We are also proud to offer a payroll deduction option for your employees. At no additional cost to you, you can offer financial peace of mind to your employees allowing them to recover from life or limb threatening emergencies when they are flown by one of our providers. Each employee will be able to make the decision about adding this to their benefits package. Many of our customers love the option to be able to spread the cost of a longer-term membership over multiple pay periods. As the employer, you can control how many pay periods you deduct it from their payroll, and you can take up to 3 consecutive months to pay us!
