

**Humboldt State University
Virtual Part-time Job Fair
Wednesday, September 2, 2020
11 a.m. to 3 p.m.**

Humboldt State University's Academic and Career Advising Center is excited to host its first virtual part-time job fair. This event provides an excellent opportunity for your organization to meet students seeking part-time jobs in the local area, collect resumes, conduct interviews, and create an applicant pool for future vacancies. Registration is now open for our virtual Part-time Job Fair!

[Register Here](#)

The deadline for registration is Monday, August 24, 2020. The fair fee is \$25. During registration, you'll be asked to share the number of representatives who plan to attend the fair—up to 15 representatives per employer are able to participate in the fair. Each representative you register will be able to create their own unique schedule to engage with students later this summer. To learn more about these features [check out this Handshake-hosted training webinar](#) or the step by step process guide <https://tinyurl.com/HandshakeVirtualFair>.

Once registered we will follow up with details about how to effectively engage with students in this virtual environment, including:

- Video, audio, and chat communication with students
- Group meetings with up to fifty students
- 1:1 student meetings scheduled in advance or after a group session
- Sharing information and documentation with students ahead of time

I hope you will take advantage of this opportunity to recruit some of the brightest and most prepared HSU student applicants! Please remember to post any open positions on [Handshake](#) our on-line student job board.
