

OCTOBER MIXER AT COAST CENTRAL CREDIT UNION'S DOWNTOWN EUREKA LOCATION

By Chris Nelson, Greater Eureka Chamber Ambassador and Member Business Services Portfolio Officer at Coast Central Credit Union.

Held at Coast Central Credit Union's busy 4th and F Street Member Services Branch in Downtown Eureka, the always exciting October 17th Greater Eureka Chamber mixer marked both International Credit Union Day and the eagerly anticipated release of Coast Central's annual calendar.

The welcoming atmosphere included music/professional DJ services provided by Coast Central Staff Accountant Kurt Fults. Greater Eureka Chamber of Commerce CEO/President Nancy Olson kicked-off the festivities with a warm welcome introducing Coast Central hosts Colleen Toste, VP of Marketing & Communications, and new President/CEO Fred Moore who highlighted Coast Central's ongoing support of International Credit Union Day. This year's local calendar Artist, Ben Goulart ("The Mural Man"), was on-hand with his family to introduce and sign his well-received 2025 "Art Around Town – A Collection of Murals" themed calendars for all guests.

Food and beverages were provided by local vendors The Boardroom, Moonstone Crossing Winery and McKinleyville High Culinary.

This is just one example of how monthly Mixers are a great way to get to know people and network with other business members within our community. Want to be a Chamber Ambassador volunteer? We're always looking for positive, upbeat people to represent both their own businesses and the Greater Eureka business community at Chamber events. We strongly encourage you to attend, volunteer and get involved with your Eureka Chamber.

For more information on the Greater Eureka Chamber or its many upcoming events, visit the Chamber website at eurekachamber.com or follow the @eurekachamber on Facebook and Instagram. The only cost of admission to a traditional mixer is your business card. We hope to see you at our next event!
