

New Locations–Open House Celebration — United Indian Health Services, Inc. (UIHS) is thrilled to announce the grand opening of Eureka Health Village consisting of two new state-of-the-art health care facilities in downtown Eureka with an open house event on December 9 from 3pm-6pm. Located at 434 7th Street and 525 7th Street, the newly remodeled facilities offer medical, behavioral health, dental and vision services designed to enhance client care and community well-being.

The open house will feature guided tours of the facilities, allowing guests to explore the remodeled buildings, meet our dedicated healthcare professionals and connect with our Board Members and leadership team. Attendees can enjoy family-friendly activities, live music, cultural sharing, complimentary appetizers, refreshments, and a chance to win exciting door prizes.

This event is free and open to the public. Join us in celebrating this milestone in healthcare services growth in Eureka. For more information, please contact media@uihs.org.
