

## September Mixer at Sequoia Park Zoo

By: Carolina Gonzalez and Charlie Dockery, Eureka Chamber Ambassadors and Coordinators at Dark Staffing Solutions

Our September Eureka Chamber Mixer, hosted by Sequoia Park Zoo, was held on September 15th. The Zoo shared the unique skywalk trail among the beautiful redwood trees, the new Black Bear exhibit, and baby flamingos!

Eureka Chamber Ambassador Chair Christopher Nelson acted as the Master of Ceremonies for the evening, and ambassador Carol Clymo assisted in facilitating the distribution of a wide variety of business card and raffle ticket drawing prizes.

The Sequoia Park Zoo Foundation's new executive director David Reed was introduced along with several zoo colleagues. Everyone in attendance was informed of exciting zoo updates, spotlighting sponsors for the skywalk trail and the still-under-construction black bear exhibit.

Plan on joining us for the next mixer on Thursday, October 20th, at 5:30 pm, hosted by Coast Central Credit Union. For more information on the Eureka Chamber or the Chamber's upcoming events, visit the Chamber website at [eurekachamber.com](http://eurekachamber.com) or their Facebook page.
