Taylor Jr. Small
Batch
Bourbon Whiskey**

As founding father of the bourbon industry, Colonel Edmund Haynes Taylor, Jr. left an indelible legacy. His dedication to distilling began at the close of the Civil War when he purchased O.F C. Distillery. There, he developed innovative techniques that are still in use today. Made by hand, this Small Batch Bourbon Whiskey has been aged inside century old warehouses constructed by E.H. Taylor, Jr.

Barrels are evaluated and selected to create a perfect blend of distinctive character that is like no other. This 100% proof bourbon is a true sipping bourbon that honors the uncompromising legacy of E.H.

**750mL 1792 Full
Proof Straight
Bourbon Whiskey**

1792 Small Batch Kentucky Straight Bourbon Whiskey, is named after the year that Kentucky achieved statehood in the United States. This full proof bourbon is bottled at its original 125 entry proof, just as it was years ago when the barrels were first filled. It is made from a mash of corn, rye and malted barley. While the use of corn in the bourbon's recipe adds classic notes of buttered bread, biscuits and roasted nuts, the heavy use of rye in the bourbon's mashbill yields a more complex and full-bodied whiskey.

This exceptionally distinct full proof bourbon earned a Silver medal at the 2018 San Francisco World Spirits Competition, and 93 points at the 2018 Ultimate Spirits Challenge.
