

## VOLUNTEER LIST

The PSCF is always looking for volunteers to help with our fund-raising efforts. Whether it's helping set up or tear down an event activity...selling raffle tickets or chances for prizes...soliciting prize donations from our local businesses...or managing an event registration table—the need is always there.

If you sign up as a Volunteer for the PSCF, your time and job responsibilities will be on your terms! We will develop a list of PS members that express an interest in helping, and give you a call when the need arises. If you're available and willing to tackle the task we need helpers for...great! Otherwise, you're free to say "No, maybe next time!"
