

BOARD OF DIRECTORS

The PSCF BOD is responsible for the oversight and management of the PS Charitable Foundation. It is comprised of nine Directors, with three-year staggered terms of office. Directors serve no more than two consecutive terms. Each Director has the responsibility of either chairing or participating on one of the PSCF committees. Monthly meetings are held throughout the year, but full-time residency is not required.

The Directors on the Board should have experience with non-profits or have been involved with setting up and managing a 501 (c)(3). Fundraising, event planning, marketing, business management, finance, and grant-making—are all skills that are beneficial to the BOD team.
