

# SERIOUS PROTECTION FOR YOUR SMALL PERSON

## JUVENILE COVERAGE GUIDELINES

Death benefit protection may not be something we want to think about for an infant or child. However, juvenile life insurance provides several benefits even when your family remains happy and healthy like we all hope it will.

### BENEFITS INCLUDE:

- Additional future life insurance coverage that is guaranteed<sup>\*</sup> as long as the policy remains in force
- The opportunity for tax-deferred cash value accumulation over the long term
- Access to cash value once the amount is sufficient, through loans and withdrawals<sup>1</sup>; providing funds that could be put toward such things as college tuition, a wedding, or a future home
- Potential for a tax benefit<sup>2</sup> through the annual gift tax exclusion

The following are the guidelines when applying for a *Transamerica Financial Foundation IUL*<sup>®</sup> juvenile policy:

<sup>3</sup> Neither accidental death and dismemberment insurance nor credit card insurance should be counted in determining the owner's total coverage.

These guidelines exclude New York and Washington and any other state that might have a unique set of rules currently in place. Accidental Death and Dismemberment, credit card, and group coverage should NOT be counted in determining the parent/owner's total coverage.
