

Summer 2021 Benchmarking Help Sessions – Featuring BEEP Demos!

*On average, **30%** of the **energy** used in buildings is **wasted** through **inefficiency**. (U.S. EPA). Join us at these upcoming benchmarking help sessions to make your building a hero in the fight against wasted energy, air pollution and climate change!*

BENCHMARKING HELP SESSIONS – Featuring a BEEP DEMO

Thursday, JUNE 24
8:00 – 9:30 AM

This session will cover the basics of benchmarking, the City's Building Energy Awareness Ordinance and how to report your data. PLUS we will feature a demo of **Ameren Missouri's new Benchmarking & Energy Efficiency Portal (BEEP)**, which can provide aggregated building electricity data and automatically upload it to ENERGY STAR Portfolio Manager. Breakout rooms for one-on-one assistance will be available.

Thursday, JULY 22
12:00 – 1:30 PM

MORE OPPORTUNITIES for High Performance Building Education this summer

Friday, JUNE 4
8:00 – 10:00 am

BENCHMARKING & ENERGY EFFICIENCY CAROUSEL

Attend multiple presentations providing real details on how to save energy in buildings, with a special focus on how to prepare for and meet the City's new Building Energy Performance Standard (BEPS).

- Presentations include:
- Updates on City of St. Louis Building Energy Performance Standard
- Planning for BEPS Compliance in Affordable Housing
- Using Audits & Retrocommissioning to Prepare and Plan for Compliance
- Hypothetical Compliance for a Typical Building Type
- Utility Incentive Updates!

Mon. Tues. Wed.
JULY 26 - 28,
1:00 pm- 5:00 pm

GPRO OPERATIONS + MAINTENANCE ESSENTIALS

Industry experts will provide critical **tools to transition** from conventional to **sustainable operations** at this Green Professional Building Skills certificate course. Efficient operations & smart maintenance in buildings can help reduce operating costs by 5-20%.
