

# BENCHMARKING & ENERGY EFFICIENCY CAROUSEL - JUNE 3

*Join the USGBC-Missouri Gateway Chapter and the City of St. Louis for an interactive event providing real details on how to save energy in buildings. Participants will circulate between quick presentations, gaining insight into numerous energy efficiency projects and financing solutions.*

## **Presentations will include:**

- **Keeping Score: An Owner's Perspective on Energy Benchmarking** - Joe Abernathy, St. Louis Cardinals
- **Spire Energy Efficiency Rebates** - Belmin Salihovic & Chris Wright, Spire Energy Efficiency Program
- **Ameren Missouri BizSavers Energy Efficiency Incentives** - Jim Travis, Ameren Missouri Bizsavers Program
- **Getting the Most out of Building Automation Systems** - Chris Ruth, Integrated Facility Services
- **Introducing . . . St. Louis Commercial Solar Group Buy** - Andrew Linhares, Renew MO
- **Energy Efficient Tax Deductions & Credits** - Teri Samples, Mueller Prost

***Plus—an update on the City's new Building Energy Performance Standard!***

**Wednesday, June 3, 2020 - 8:00 - 10:00 am**

Virtual Event via Zoom

**FREE to all, but registration is required**—a link to the Zoom meeting will be sent the day before the event.

**Upcoming Carousel: Thursday, October 08, 2020**
