Help Us to Help You: Donations and Volunteers Needed

Volunteers

Crawford County Emergency Management is still looking to compile a list of volunteers willing to assist in the COVID-19 response (SHOULD WE END UP NEEDING VOLUNTEERS)

We are focusing on having a list of volunteer physicians that are available in case this virus would spread rapidly in our community. We still urge for people with prior healthcare training to join the list as well. Volunteers could be asked to a wide variety of different tasks.

Please call 608-326-2718 to register. If no answer leave a message.

Donations

Crawford County Emergency Management is still accepting donations of certified N95 masks, surgical masks, homemade masks, and thermometers. We understand that these homemade masks are not approved or scientifically tested but we are taking donations should the need for said masks arise.

Crawford County Public Health Department has posted directions on how to make and prepare the masks. Please contact Fire Chief Tad Beutin at the Prairie du Chien Fire Department at 608-326-4365 or his cell phone at 608-306-0361 for the collection of the donations or to set up a time to drop off the donations.
