ARCANUM VII—THE CONQUEROR

*“Remember, then, son of earth, that the empire of the world belongs to them who possess the sovereignty of spirit, that is to say, the light which makes clear the mysteries of life. If the Conqueror should appear in the prophetic signs of thy horoscope, it signifies that in breaking through obstacles thou wilt crush thy enemies; and all thy wishes will be realized if thou attack the future with audacity, armed in the consciousness of thy right.”*

## THE CHURCH OF LIGHT

### Healing Ritual

Oh Thou Eternal Spirit in whom we live, move, breathe and have our being!

We come before you to partake of the healing forces of the Legions of Light.

Each soul is struggling to fulfill its part in the Divine Plan. Just as the Sun vitalizes all physical life, so do the healing rays of Divine Goodness vitalize and regenerate the soul when illness of body and misfortune of life threaten to invade one's immortal soul.

Vitalized by the healing rays of Divine Goodness the soul can grow in happiness, usefulness and spirituality and strive to take its rightful place in the Divine Plan.

May we all remain a few minutes in silence as we ask that all those listed and all those gathered here partake of Your Divine Goodness and Power.

May the Legions of Light direct these healing energies so that we may live in perfect health and fortune in all areas of life.

Oh Thou Eternal Spirit,  
We thank you for the healing aid and the opportunity to live a more constructive life.

SO SHALL IT BE!
