RESOURCE TUESDAYS AT REFRACTION

A Free Weekly Program Providing Support and Belonging for Government Professionals and Contractors in Career Transitions

Since its founding, Refraction Innovation Hub has been more than a workspace for startups—we are a community for connection, innovation, and support.

Now, in response to recent workforce shifts impacting government workers and contracting professionals, Refraction and its partners have launched **RESOURCE TUESDAYS**—a free weekly program offering tangible career support you can count on, expert job search help, and a welcoming space for anyone navigating a career transition.

1
