

Ensuring the Development of a Complete Visual System

Join Us!
Virtual Event

DATE OF EVENT: Friday, August 21, 2020

START AND END TIME OF EVENT: 11:30am – 12:30pm
(we will admit people into the event 10 minutes prior to the start)

LOCATION OF EVENT: Virtual/Zoom

SPEAKER NAME: Dr. Leanne Liddicoat, O.D., FCOVD
Dr. Liddicoat is a neuro-developmental optometrist

DESCRIPTION OF EVENT: Let's discuss how environmental factors affect the developing visual system and how to use movement-oriented interactions to influence the proper development of visual acuity, pursuits, saccades, binocularity and visual perception. We will also look at developmental milestones and specific conditions to be aware of along with appropriate responses.

CE: IDA – Nursing/PT/Speech 1 hour \$10

ADA REQUESTS: By August 1, 2020

FEES: IDA member: \$25
Non IDA member: \$35
