

DEPARTMENT OF DEVELOPMENTAL SERVICES ALTERNATIVE DELIVERY OF NONRESIDENTIAL SERVICES

The Notice and Finding of Emergency (NOFE) and Regulation text for emergency regulations on the alternative delivery of nonresidential services during COVID-19 were posted online, emailed and mailed on Friday, August 14, 2020.

The emergency regulations and corresponding NOFE may be accessed on the regulations page of the [DDS Website](#). Comments should be sent simultaneously to DDS and the Office of Administrative Law at RegulationsMailing@dds.ca.gov and OALReferenceAttorney@oal.ca.gov by August 26th.

DDS has scheduled a series of Zoom presentations to review the option for a new alternative service delivery model for nonresidential services, the Department's expectations, and plans for implementation. DDS is seeking input from the community and inviting technical questions and recommendations for operationalizing the new model on the following dates. The same presentation will be given on all three dates.
