

Nicole Casey, MS, CCC-SLP, is a pediatric speech-language pathologist, founder of the Child-Led Therapy Center, and creator of *The Child-Led SLP*. With over a decade of experience supporting autistic children and their families, Nicole is a leading voice in child-led, neuroaffirming approaches to speech therapy and shares weekly on her podcast *Let Them Lead: The Child-Led Autism Podcast*. She is the author of the *Great Language Partner Workbook* and creator of the *Aligned Rubric Framework*, tools used by professionals and families worldwide. Nicole is passionate about helping therapists and parents honor all forms of communication, support gestalt language processors, and build therapy environments rooted in connection, trust, and joy.
