FRIENDS OF ZION
MUSEUM

15 January 2024

Dear all,

We are writing to share a brief overview of our recent social activities since the beginning of the war.

Friends of Zion Heritage Center is committed helping communities in need such as holocaust survivors, security forces, widows and orphans and evacuees from the north and south of Israel. Among the things we've done you can find a wide range of work - distributing food, equipment, medicines, and vouchers. For the survivors, we are renovating a bomb shelter that is in use mostly for their cultural encounters and hosting regularly activities for Holocaust survivors in our complex. Furthermore, we send packages for soldiers from different platoons, host events for security forces and placed a coffee corner in the Museum's yard for the IDF. Everything of course without any charge.

Furthermore, we accommodate families of evacuees in our apartment complex, typically designated for Holocaust survivors. We organize 'happenings' for them twice a week. In addition, we have established a kindergarten for their children and procured accommodation equipment in preparation for potential large-scale evacuations.

If you wish to contribute to our social initiatives and be a part of our extended social network, you are invited to donate funds to the following bank account:

Name: Righteous of the Nations Heritage Center (R.A)

ID: 5805622601

Bank: 12

Branch: 782

Account: 240291
