Calling all middle and high school students! Teams in grades 6-12 are invited to design and build a 3-dimensional work of art using canned food donations for our 14th-Annual Canstructure Competition! The theme for this year is ***Oh, the Places You'll Go!*** and our goal is to collect 25,000 pounds of food for the Virginia Peninsula Foodbank! This STEM challenge will inspire creativity and teamwork while addressing the issue of food insecurity in our community. All middle and high school teams will build their canstructures on site at Patrick Henry Mall. Trophies will be awarded to top teams from each school level. For information and to register your team, visit **www.yvchr.org/canstructure2025**.
