Calling all elementary students! Teams in grades K-5 are invited to design and build a 3-dimensional work of art using canned food donations for the 2025 Canstructure Competition! The theme for this year is ***Oh, the Places You'll Go!*** and our goal is to collect 25,000 pounds of food for the Virginia Peninsula Foodbank! This STEM challenge will inspire creativity and teamwork while addressing the issue of food insecurity in our community. All elementary teams will build their canstructures at their respective schools and schedule an on-site project presentation for the judges the week of April 17th; awards will be announced at Patrick Henry Mall (Center Court) on Saturday, April 26th at 2:30pm.
