**MetroNet Connects with New Business Social Channels**

EVANSVILLE, In - (January 23, 2020) MetroNet Business is always looking for additional ways to connect with our customers and provide outstanding customer service. Now you can tune in to the **MetroNet Business social channels** to receive timely product information, updates regarding programming and service and info on fun contests. It will also be a great forum for exchanging information and asking questions. Here are the details:

- **Facebook:** Visit <https://www.facebook.com/MetroNetBiz> or search for @MetroNetFiber. To ensure you are seeing updates to our page, after clicking "Like", drop down the menu under "Following" and click "See First".
- **Twitter:** Visit <https://twitter.com/MetroNetBiz> or search for @MetroNetFiber, then click the "Follow" button located to the right under the header image.
- **LinkedIn:** Visit <https://www.linkedin.com/company/MetroNetBiz> or search for MetroNet Business, then click the "Follow" button located to the right under the header image.

These accounts are monitored Monday through Friday from 9:00 am to 9:00 pm EST. MetroNet looks forward to connecting with you on our social channels.

Customers who have questions about MetroNet Business products and services can visit www.metronetinc.com/business

About MetroNet Fiber Inc:

MetroNet is a 100% Fiber Optic Company headquartered in Evansville, Indiana. The customer-focused company provides cutting-edge fiber optic communication services for residential and business including high-speed Fiber Internet, full-featured Fiber Phone, and Fiber IPTV with a wide variety of programming. MetroNet started in 2005 with one fiber optic network in Greencastle, Indiana, and have since grown to serving and constructing networks in over 80 communities across Indiana, Illinois, Kentucky, Iowa, Ohio and Minnesota. MetroNet is committed to bringing state-of-the-art telecommunication services to communities — services that are comparable or superior to those offered in large metropolitan areas. For more information visit www.MetroNetinc.com.
