Accent Consulting Launches New Sales and Customer Support Office in Indianapolis, Indiana

Regionally located facility to provide responsive full-service IT services.

INDIANAPOLIS, IN, January 10, 2022 – Accent Consulting’s Indianapolis office, located at 5610 Crawfordsville Rd Suite 2000, Indianapolis, IN 46224 celebrated its grand opening with companywide celebration and awards ceremony.

Accent Consulting is a leading provider of Business IT Services and Cyber Security with primary locations based in Fort Wayne & Lafayette. The new office will be the company’s third location in Indiana and better service and support the growing IT needs of Indianapolis-area based businesses.

In a recent interview, Phil Wright, Founder & CEO of Accent Consulting states, “The opening of Accent Consulting’s new Indianapolis office is an important step toward realizing our goal of providing lightning fast response times and expert technology services to the growing business community in the Indianapolis Area. As the remote and digital business world continues to grow, so does the need for smart, responsive & secure IT. It’s estimated that 66% of small to medium-sized businesses had at least one cyber incident in the past two years. We provide SMBs, with or without internal IT departments, first hand security expertise that easily aligns & scales with their specific industry & business needs.”

Amidst the grand opening celebration, Accent Consulting’s IT Operations Manager, John Worthman, recognized three of their outstanding IT technicians for going above and beyond the company’s core values & standards. Award winners were Jesse Staub, Robert Brenton, & Zechariah Garrette in the areas of Excellence in Service, Ticket Closures & Teamwork.
