

# INDIANA WORKFORCE RECOVERY

## Greater Lafayette's EMPLOYER OPIOID STRATEGY

March 21, 2019

Of Hoosiers suffering from substance use disorder, up to 70% are currently employed. Helping employers manage the immediate impact of substance misuse on their current and future workforce is the focus of this important community event.

This convening will provide employers with the knowledge and resources to both protect their businesses and assist their valuable employees. Topics will include: legal guidance on drug-free workplace policies, how to detect drug use among employees, stories of recovery, and connection to local treatment and recovery efforts.

Location: Ivy Tech Lafayette, Ivy Hall Rooms 1106 & 1112
