

## Crawfish for Cougars

The Booster Club hosted its first Crawfish for Cougars fundraiser on March 17. We had over 200 people attend who had their fill of crawfish! We had 3 bands play for us throughout the day despite the weather that luckily held out for us. We had an amazing time relaxing and connecting with our Corpus Christi families and we raised some money all at the same time.

## Kentucky Derby Party 2018

On Saturday, May 5 the PTO and the Booster Club joined forces and hosted an inaugural Kentucky Derby Party. The event was a huge success and the fundraising goal of \$20,000 was not only hit but was exceeded. The afternoon consisted of the Kentucky Derby race streamed to root for your favorite horse, online bidding on auction items, the band Peek and Family Jewels and lots of delicious food and drink. Everyone came dressed in their favorite hats and seersucker. It was a fun night had by all and an event both organizations can be proud of.

Thanks to everyone who participated by attending, bidding online, sponsoring, and organizing this event that will help pay for the much needed bleacher project.
