

THE BRAND NEW COUGAR CART IS OPENING THIS WEEK!

The Cougar Cart is a new mobile store, sponsored by the PTO, that will be open to everyone starting this week. The cart will offer a variety of items to make life a little easier, including snacks, school supplies, small gifts and school spirit items. You can find the cart in the hallway by the office every morning between 7:45-7:55 and it will be available to students during regular Scrip office hours and other designated times to be determined.

The following is a list of currently available items. We hope to expand our inventory with more items in the near future. If you have any suggestions of things you would like to see added to our inventory, please contact:

Scarlett Moulder
PTO Vice President
