Welcome New Parents!

I would like to introduce myself, my name is Elisabeth Rodriguez I am the Area Director for Valley Services in Mobile. As the area director I am responsible for providing the students of Corpus Christi School and McGill Toolen Catholic School with fresh and delicious meals. I am excited you have selected Corpus Christi Catholic School for your child's educational needs. You will find that your child will be in great hands not only in the classroom but also during meals.

Running the daily operations, you will find, Chef Alexis Davis and Chef Jerome White preparing the most pleasant-tasting meals to offer your child. Both chefs take a lot of pride in their work and understand how important it is to not only offer a well-balanced meal but also use fresh and local products. Please stop by and say hello anytime, they would love to meet you.

You will find the weekly and monthly menus posted on the Corpus Christi web page, under the lunch program tab. Every new child has been set up with a lunch account using their student ID number. You can load money on to their accounts a few different ways. One way is sending in check or cash with your student, another is setting up a account on www.mypaymentsplus.com . You will need your student ID number to register for this account. I encourage each parent to use this service to monitor your child's purchases. If you are unsure how to enroll please feel free to stop by the dining hall and speak to Alexis Davis.

If you have any concerns, questions or even a great recipe you would like to pass on and include in one of our menus. Let us know we are always open for suggestions. Once again, we so very excited to serve you and your child for the 2019-2020 school year at Corpus Christi.

Best Regards,

Elisabeth Rodriguez

Area Director of Dinning Services
