Corpus Christi Families, Parishioners & Guests
Corpus Christi Catholic Church
6300 McKenna Dr.
Mobile, AL 36608

Dear Families, Parishioners & Guests:

After focusing most of our efforts this year on implementing new family-oriented events, we are looking forward to getting back to our roots this Lenten season by serving you at the Corpus Christi PTO Fish Fry. As always, we appreciate your support of our largest and longest-running fundraising event. Our Lenten Fish Fry is well-attended by Corpus Christi School families, church parishioners and even guests from the surrounding community. Therefore, we will make every effort to accommodate all of our guests so that everyone can enjoy their meals to the fullest.

We want to take this time to remind you of a few changes we implemented last year in an attempt to make the Corpus Christi PTO Fish Fry a safe and enjoyable environment for everyone. During Fish Fry, we are asking all children to remain in the banquet hall, and to refrain from running. No children will be permitted in the atrium, church hallway or in front of the church unless accompanied by their parent or guardian. In addition, we will once again reserve the atrium for "adult only" seating, and we will be opening the Family Room for additional quiet, adult-only seating. We will have servers available in the Family Room should diners need any assistance.

We want everyone to be able to relax and enjoy their Friday evening at the Corpus Christi PTO Fish Fry. We will have a couple of volunteers in the atrium and banquet hall to direct guests to the seating they desire, and to remind the children of the guidelines implemented last year. Please feel free to contact one of our PTO members should you have any questions or concerns.

Sincerely,

Melissa Overstreet, PTO President
Scarlett Moulder, PTO Vice President
Leslie Youkey, PTO Secretary
Sandi Zoghby, PTO Treasurer
