

Be a **LIFESAVER** Fall Campaign 2018

We can make a difference! The purpose of the **Corpus Christi Pro-Life Club** is **PRAYER**, **EDUCATION** and **SERVICE**, focusing on building a **Culture of Life**. Membership is open to all 7th and 8th graders who attend Corpus Christi School.

We will meet in the Women's Resource Center's parking lot (across the street from Planned Parenthood) to pray the Rosary and listen to a brief talk each Friday at 6:30 AM during the **"40 Days for Life"** campaign. Parents are invited to join us!

*Please note that the abortion clinic is NOT open during this time.

*We encourage carpooling! Take turns bringing a small group of students—it will enrich your morning!
