

SCRIP

October 9, 2017

Corpus Christi School uses Scrip as its ongoing, year-round fundraiser. Scrip is simply another name for gift cards and certificates. The Scrip program works by parents, relatives, and friends purchasing Scrip through CCS from the merchants listed on our order form or on the online ordering site. Scrip gift cards and certificates are available from many local and national merchants, which you frequent use during many of your weekly activities....Winn Dixie, Wal-Mart, Target, Publix, Shell, etc....

Your participation in the Scrip program is important for improvements to Corpus Christi School. Scrip-funded projects have included new playground equipment, a new science lab, library renovations, security cameras and new fencing.

Orders may be left at: The Pre-School office, Parish Office or School office during operation hours.
