

We are now offering medication management appointments!

Med Management

Modern Assistance now offers medication management through our Psychiatric Mental Health Nurse Practitioner. These services are available in-person and/or via telehealth.

Why choose us

- **Experienced**
Over 34 years of providing Employee Assistance, mental health support, and substance abuse treatment.
- **Professional**
Our team of Certified Employee Assistance Professionals are licensed mental health and substance abuse counselors/prescribers offering confidential treatment.
- **Treatment On-Demand**
Same-day assessment and referral for Detox and Mental Health Treatment.
