

Food Donations for Thanksgiving and December Holidays 2020

Dear Friends:

For many families and organizations, “adopting” a family for the holidays has become an annual tradition. During these hard times of Covid we have had to make some changes to the program to ensure social distancing protocols are met. Instead of having, families “shop” we will be putting a box together containing everything they will need for their holiday meal. We realize this is a big change from how we have been providing meals in the past to our residents but we feel that this the best way to ensure everyone can receive there holiday meals safely.

Donors will still be able to “adopt” a family for gifts in December as we have done in the past. If you choose to make a gift donation, we ask that gifts are new and unwrapped. Please contact the office for details on how to adopt a family.

We extend a warm *thank you* in advance for helping make this holiday season better for our neighbors. If you have any questions, feel free to contact Human Services at 860-742-5324 for more information. We are thankful for everyone who has made this program a success thru the years and we look forward to another successful year.

Sincerely,
Human Services Staff

Be sure to like us on Facebook for updates and information!
