

SEPS Flu & Covid-19 Vaccine Clinic Calendar - Fall 2023

For staff, students, families and community

The best protection from influenza and Covid-19 is staying up to date with recommended vaccinations. These vaccines are some of the best ways to prevent getting seriously ill or being hospitalized. They are safe, effective and help protect our Santa Fe community. The New Mexico Department of Health, Best BuyRX and Santa Fe Public Schools are partnering to offer flu shots & Covid-19 vaccines to anyone who wants them this fall.

Thank you for your help in keeping our children, families and schools healthy this respiratory season!

Calendario de Clínicas de vacunación contra el flu y Covid-19 - Otoño 2023

Para el personal, los estudiantes, familias y la comunidad

La mejor protección contra la influenza y el Covid-19 es mantenerse al día con las vacunas recomendadas. Estas vacunas son algunas de las mejores formas de evitar enfermarse gravemente o ser hospitalizado. Son seguros, eficaces y ayudan a proteger a nuestra comunidad de Santa Fe. El Departamento de Salud de Nuevo México, Best BuyRX y las Escuelas Públicas de Santa Fe se están asociando para ofrecer vacunas contra la gripe y Covid-19 a cualquiera que las desee este otoño.

¡Gracias por su ayuda para mantener saludables a nuestros niños, familias y escuelas en esta temporada respiratoria!
