## Will this lead to career success?

### Part One

Directions: Read each statement in the box below about what some employees have done. If the action will lead to career success, circle it. If the action will not lead to career success, cross it out.

Greg took a box of pens home.

Tasha shows up to work a few minutes early.

Heather made a mistake but when asked about it she said it wasn't her fault.

Preston smiled and greeted each customer.

Liz took an extra long lunch.

Will finished his work early and asked his supervisor for something else to do.

### Part Two

Directions: Choose TWO of the actions above that will not lead to career success and rewrite them so that the action will lead to success.
