Teachers/Staff Amazon Wish Lists

SBS PTO is excited to continue with an additional way to show our amazing teachers and staff how much we appreciate them throughout the year!!
We have asked each of our teachers/staff to come up with their dream wish list of items they would love to have in their classroom. They will periodically update their wish lists moving forward with the goal of making these "living classroom registries". Below, you will find the links of participating staff so far.

Click on any teacher/staff name to show your appreciation! Select their registry address or if it is missing, ship directly to teachers attention at SBS (192 Southern Boulevard) at checkout and it will send it straight to the school. Please select "this is a gift" to include a message with your name so your teachers/staff can thank you for your donation.

Thank you in advance for your generosity and contribution to our school!
