

FREE APPRENTICE MENTOR TRAINING

April 30 and May 14, 2021

A two session, online training program with instructor-led and project oriented instruction, designed to provide mentors and supervisors the tools needed to effectively guide and ensure the success of their apprentices.

Mentors are offered the opportunity to burnish their leadership skills while learning valuable new techniques all focused on enriching the development of the apprentice in the workplace.

This training series also provides a refresh for seasoned leaders that will assist them in the management of their teams and entire organizations.
