

Point of Sale On-Screen Decision for Final Expense Ages 50-85

As an added benefit to using our Mobile Application to write your business with us, you have the ability to receive an on-screen underwriting decision on our Final Expense products ages 50-85. Visit www.insuranceapplication.com and click on the “Mobile Application” icon to get started.

As mentioned above, when the case is submitted on our Mobile App, a point of sale decision will be provided on the screen within seconds. The following are some examples of the various underwriting decisions which could be displayed:

Approved as Applied for (Firm Decision) – the application will be issued for the plan indicated

Decision:

The proposed insured has been approved for the immediate Death Benefit plan.

Approved as Applied for – applicant has been medically qualified for the plan indicated (subject only to a review of previous coverage with the Company)

Decision:

The proposed insured is medically eligible to apply for the Immediate Death Benefit Plan. Final approval will be made promptly upon review of the previous applications submitted to the Company.

Approved Other than as Applied for – applicant has been medically qualified for a different death benefit plan. You are provided details which affected the decision, and you have the opportunity to provide additional information for further underwriting consideration.

Decision:

The proposed insured has been approved for the ROP Death Benefit Plan.

Data Results:

Prescriptions:

HEPSERA
