Charter Oak International Academy Presents

THE INQUIRY GALLERY

Thursday, April 4, 2018

6:30-7:30pm

Celebrate the rigorous work of Charter Oak's internationally-minded students.

Enjoy touring the school, which will be transformed into an "Inquiry Gallery."

Students will share both process and product from their IB units. They will make connections to the IB learner profiles, attitudes, approaches to learning, and key concepts; and demonstrate the knowledge they've gained from inquiries into the six IB transdisciplinary themes:

- ❖ *Who We Are*
- ❖ *Where We Are In Place and Time*
- ❖ *How the World Works*
- ❖ *How We Organize Ourselves*
- ❖ *Sharing the Planet*
- ❖ *How We Express Ourselves*
