The 4 new Cofounding Charter Memberships range from \$997 up to \$4,997 with added benefits described below.

Anyone who joins The Light Center as a **Cofounding Diamond, Platinum, or Ultimate Charter Member** described later in this invitation will receive all of the usual Membership Benefits, a 1 Year 100% Money Back Guarantee PLUS Cofounders shares equal to your membership investment in our affiliated **Collaborative Infopreneurship Network Benefit Corporation** (CINBC).

**Details of the Charter Membership Levels are available upon request from The Light Center.**

## SPECIAL OFFERS FOR COFOUNDING CHARTER MEMBERS AND SPONSORS

<https://CollaborativeInfopreneurship.org>

The **Collaborative Infopreneurship Network** Benefit Corporation (CINBC) is partnering with **Ultimate Destiny Network, Inc.** and its affiliated non-profits **The Light Center** and the **University for Successful Living (USL)**. Together we will demonstrate the **ABCs** (Advantages, Benefits and Cost-savings) of collaborative publishing and marketing as we publish and produce titles from The Light Center and the USL.

We are seeking up to 25 Cofounding Diamond, Platinum or Ultimate Charter Members who will receive all of the usual Membership Benefits, a one year 100% Money Back Guarantee and **Cofounders shares in CINBC equal to your membership investment!** Limited offer.

The **Collaborative Infopreneurship Network** (CINBC) was established as a **Benefit Corporation** by cause-oriented companies and affiliated non-profit organizations. The shared vision of cofounders is to provide expanded access to state-of-the-art resources for Infopreneurship sometimes referred to as “information marketing.” We seek to cocreate an innovative new model for collaboratively publishing, producing, marketing and delivering meaningful resources for personal, professional, organizational and community development, empowerment and enlightenment.

The cofounders of **Ultimate Destiny Network**, **The Light Center** and the **CINBC** have invested the past few years acquiring training, strategic alliances, hardware and software for publishing, electronic publishing, program and product development, evergreen webinars, online courses, marketing and Internet marketing, etc. Based on our research, training and experience, we believe **Infopreneurship** (an expansion and evolution of entrepreneurship and micro-enterprise development) is one of the most significant Ultimate Successful Living Skills for the 21st Century that we will be sharing through our affiliated non-profits the **University for Successful Living** and **The Light Center**.

We agree with best-selling author Robert Allen that Infopreneurship represents one of the best strategies for helping foster innovation, creative thinking, and creation of valuable intellectual properties (books, E-books, digital content, seminars, workshops, new programs, products and services, etc.)

<b>Services will include:</b>	<b>Our intentions are to:</b>
<ul style="list-style-type: none"><li>• Print and digital publishing,</li><li>• Online training platforms,</li><li>• Seminars and workshops,</li><li>• Program and product development,</li><li>• Evergreen webinars,</li><li>• Strategic alliances,</li><li>• Joint ventures,</li><li>• Marketing and distribution</li></ul>	<ul style="list-style-type: none"><li>• Demonstrate cocreative collaboration</li><li>• Incorporate Community Economic Development practices which include: Self-help; Empowerment; and Capacity-building.</li><li>• Harness and demonstrate the power of the Benefit Corporation model;</li><li>• Help demonstrate Crowd Funding and provisions of the US JOBS Act.</li></ul>

We believe this is the richest time in the history of the world (especially with the USA JOBS Act) to collaborate, make a difference, help solve social, economic and environmental challenges, manifest responsible StewardHeirShip™ over wealth, and leave a rich legacy of empowerment and enlightenment and we invite you to participate! We resonate with Buckminster (Bucky) Fuller's vision of "Betterment for 100% of humanity" and seek to help **Expand the Circle of Success** by providing greater access to resources that help generate enhanced individual and collective capacities to address social, economic and environmental challenges.

**"For the first time in history it is now possible to take care of everybody at a higher standard of living than any have ever known. All humanity now has the option to become enduringly successful."**

-- R. Buckminster Fuller
